

Workshop Materials

The intention of the workshop is to build a Toy Theater using discarded and repurposed materials. If you do need to buy something, try and choose something that's easily recyclable.

Week 1:

Paper

Pencil/Pen

(Maybe a Ruler or other straight edge)

Week 2&3:

Cardboard Box

(for Toy Theater Base)

Spare Cardboard
Rods

(Dowels, Coat Hangers, Popsicle Sticks, Etc)

Scissors

Hobby Knife or Box Cutter

Markers/Color Pencils/Crayons, Etc.

Tape

(Masking, Gaff, Packing, Scotch, Etc)

Other various items to

represent things within

your story (We'll discuss).

NOTE: We'll use some of our time Week 1 for talking through and sourcing materials for Week 2 & 3!
