Center for Puppetry Arts® is a non-profit, 501(c)(3) organization and is supported in part by contributions from corporations, foundations, government agencies, and individuals. Major funding is provided by the Fulton County Board of Commissioners, and by the City of Atlanta Mayor's Office of Cultural Affairs. These programs are also supported in part by the Georgia Council for the Arts through the appropriations of the Georgia General Assembly. GCA is a partner agency of the National Endowment for the Arts. The Center is a member of Theatre for Young Audiences (TYA/USA/ASSITEJ) and serves as headquarters of UNIMA-USA, the American branch of Union Internationale de la Marionnette, the international puppetry organization.

The Center for Puppetry Arts is supported in part by an American Rescue Plan Act grant from the National Endowment for the Arts to support general operating expenses in response to the COVID-19 pandemic.
